PRACTICAL INSTRUCTIONS FOR SPEAKERS AND CHAIRS

All rooms are equipped with a computer and a projector. Presenters will not be able to connect their own laptops to the projector. Please ensure your presentation is ready on a USB drive and load it onto the computer in the appropriate room during the break preceding each set of sessions.

Sessions are tightly scheduled, with only a 5-minute interval between them to allow for quick room changes. We kindly ask speakers and chairs to strictly adhere to the allocated time slots to ensure parallel sessions run smoothly and without delays.
